#### Every Little Step : My Story

by Bobby Brown

Bobby Brown has been one of the most compelling American artists of the past thirty years, a magnetic and talented figure who successfully crossed over many musical genres, including R&B and hip hop, as well as the mainstream. In the late 1980s, the former front man of New

Edition had a wildly successful solo career garnering multiple hits on the Billboard top ten list, as well as several Grammy, American Music, and Soul Train awards. But Brown put his career on hold to be with the woman he loved--American music royalty Whitney Houston. The marriage between Brown and Houston was perhaps the most closely watched and talked about marriage of the 1990s. Now, for the first time, the world will be able to hear the truth from the mouth of America's "bad boy" himself.

#### Writing to Save a Life : the Louis Till File

by John Edgar Wideman

An award-winning writer traces the lesser-known story of Louis Till, the father of iconic civil rights martyr Emmet Till, tying their fates together to reveal how the father was wrongly convicted for rape and murder before being executed by the

Army a decade before his son's murder.
