

Here are some of the
new books on
Overdrive:

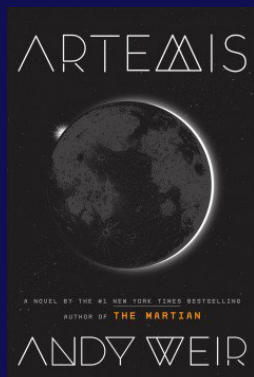

Elementary:

Middle School:

High School:

Overdrive Changes

Starting January 19th:

Starting sometime on January 19th, when you log into Overdrive it will have a new look.

Don't worry, all of our great ebooks and audiobooks will still be there. In fact, there will be even more titles to choose from.

Why the change?

In order to increase our buying power for ebooks, many of the schools in the state of Wisconsin have joined together to form a partnership.

By pooling our money, we are able to buy more ebooks to offer our students. Just like the public libraries currently do with their Overdrive books.

What will change?

- The look of the site
- Depending on where you are logging in from, you may have to choose Menasha Joint School District from a drop down menu before putting in your library card number.
- Checkout limit will be 3 books instead of 4.
- Checkout time will change from 21 days to 14 days, you will still have the option to renew.
- More books to choose from. Books that belong to Menasha Joint School District, will still only be available to users in Menasha.
- The website address will change to:
<http://wsdlc.lib.overdrive.com/> but library card numbers will stay the same.

Menasha Joint School District Libraries

100 Main St Suite 300
