# Books for writers

**This is not a writing manual : notes for the young writer in the real world**  
by Kerri Majors  
Focuses on the skills and techniques necessary for good writing and combines inspirational anecdotes and writing prompts with practical writing guidance on how to develop characters and plot, make revisions, and overcome writer's block.

**Just write : here's how**  
by Walter Dean Myers  
An award-winning author guides readers through the writing process, and includes examples from his own works, outlines for writing fiction and nonfiction, and excerpted pages from the author's writing notebooks.

**Writing 21st century fiction: high-impact techniques for exceptional storytelling**  
by Donald Maass  
Whether your goal is to write a best-selling novel or captivate readers with a beautifully written story, the key to success is the same: high-impact fiction. Writing 21st Century Fiction will help you write a novel for today's readers and market, filled with rich characters, compelling plots, and resonant themes.

**Writer's Market 2019 : The Most Trusted Guide to Getting Published**  
by Robert Lee Brewer  
This resource includes lists of publishers, professional organizations, sample query letters, self-marketing techniques and more.
