Teen Advisory Group

What?

The Teen Advisory Group (TAG) is Williamsburg Regional Library's volunteer group for ages 13-18. Group members meet to share ideas for teen library services and materials and complete a variety of service tasks.

TAG meets twice monthly and members receive a volunteer letter each semester with the total hours they participated. Eligible members may also volunteer at library events to earn additional hours.

- Submit an application with a parent's permission indicating "Teen Advisory Group" as your area of interest.
- You must view a 30 minute orientation at your first meeting.
- Attend as often as you can, for as long as you can, to earn as little as one hour or as much as five hours every month.
- Work positively and respectfully in a group with library staff and teens
- Commit to improve how the library serves teens, and help promote the library to other teens.
- Sign in and out to all meetings to maintain a record of your volunteer hours.
- Positively represent the library on site.
