## **The Memory Trees**

by Kali Wallace

Review by: Kanya S.

### Summary:

Imagine not being able to remember anything about the fire that killed your sister. It feels like being hollow as a log. Sorrow only knows what her father told her about the night her sister, Patience died. As Sorrow uncovers the truth, it will take all of her will power to face her fears

head on to learn the truth.

### Opinion:

This was an average book. There was not much conflict, the inner family rivalry was very simple and not very complex.
