## **Gathering Frost**

by Kaitlyn Davis

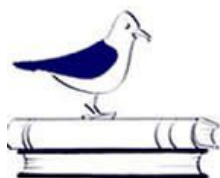

Review by Kanya S.

Summary: Follow orders. That's what Jade never questioned because the Ice Queen had taken her ability to feel the pain of her mother's absence. One day, Jade encounters the Queen's most wanted person, her son, Prince Asher. The spark of her fading emotions dying out was ignited and Jade began to question her loyalty to the Queen.

Freedom was all Jade ever wanted, especially after her mother died. The Queen offered it to her but

the most precious things in life always have a price. In exchange for bringing in Prince Asher, Jade would win her freedom.

Opinion: This is a well written adventure packed book full of surprises throughout Jade's journey.
