## **Angelhood**

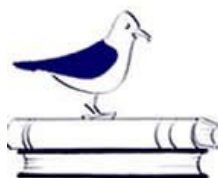

by A. J. Cattapan

Review by: Kanya S

Summary: After Nanette takes her own life, she believes that's the end. Given one last chance at redeeming herself to move onto life for good this time, she struggles with keeping her charge from making the same mistake she made. It's a journey of self

discovery and redemption, as Nanette is guided by other Guardians but still has to figure out what factors are causing Vera her charge to feel low.

Opinion: I thought this book was well written and I enjoyed reading it. It was kind of sad with good moments throughout.
