## **Prophecy**

by Julie Anne Lindsey

Review by: Kunj S.

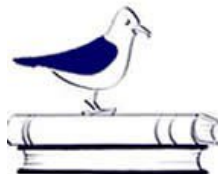

Genre: Fantasy

Summary: Callie is your average high school senior going through some traumatic events. She is supported by her mother and best friend. When a new neighbor moves in, rumors spread like wildfire about the whole family living a haunted house. The moment Callie sees one of her neighbors beheading a man, things spiral out of control. Apparently, the Vikings are real beings and her best friend is on the verge of turning. How much funkier can her life get?

Opinion: This book was just like every other; it was

bland and it lacked substantial details. I would not recommend this book because turning each page was agonizing.

Rating: 2 out of 5
