# *Friends of the Library...*

## **Volunteers Needed!**

### **Volunteer opportunities available at the library:**

Shelf reading, cutting, pasting and assembling items, data entry, dusting shelves and cleaning books, providing baked goods, helping with the children's and young adult activities.

Donations of books, cassette tapes, CD's, DVD's, computer software, etc. in good resale condition will be accepted at the library during library hours. SORRY, NO MAGAZINES.

All sorts of people belong to the Friends of the Library, especially those who love reading and want others to have the benefits of using a library. The goals of the Friends? Fundraising for the library through a variety of means: book sales, bake sales and our wagon & wheelchair rental booth at the Blueberry Festival are just a few. We provide money to purchase items needed in the library that are not provided for in the library budget. We provide financing for over 500 children to participate in the Summer Reading program.

The Friends of the Library need your support. BECOME A NEW FRIEND by filling out an application at either circulation desk. There are many ways to help out and have fun meeting new people and making a difference in our community.

Remember. . . "The only way to have a friend is to be one!" ———Ralph Waldo Emerson  
**THANK YOU FOR YOUR ONGOING SUPPORT!**

# Young Adults

**The book:** After her crush spontaneously combusts, heroine Luce is sent to the Sword And Cross reform school. Cue more romance and more danger and some supernatural goings-on.

**The adaptation:** Disney nabbed the rights to the book (plus its three sequels) almost immediately, and, well, it's already in the can. Directed by Scott Hicks, written by Nichole Millard, Kathryn Price, and Michael Ross, and starring Addison Tilin. *Fallen* is set to hit theaters sometime in 2017.

**~ November 19th: Angry Birds - Rated PG Minutes: 97**

In this hilarious animated adventure comedy, you'll finally find out why the birds are so angry. In an island paradise populated entirely by happy, flightless birds – or almost entirely, Red, a bird with a temper problem, speedy Chuck, and the volatile Bomb have always been outsiders. But when the island is visited by mysterious green piggies, it's up to these unlikely outcasts to figure out what the pigs are up to.

**~November 26th: Adventures in Babysitting – Rated PG Minutes: 94**

Sofia Carson (DESCENDANTS) and Sabrina Carpenter (GIRL MEETS WORLD) star in a hilarious, action-packed tale of two sitters inspired by the '80s classic! Sparks fly when free-spirited Lola and prim, proper Jenny learn they're up for the same internship. But that night, after newbie babysitter Lola breaks Rule #1: NEVER take your eyes off the kids, she's forced to call Jenny -- currently on her own gig -- to help track down Trey, who has snuck out. Now with all their young charges in tow, these rivals must team up and brave the big city on the wildest, wackiest adventure of their lives!
