March Saturday Family Movie Time @ the Library

~ March 4th: **The BFG** - Rated PG Minutes: 118

A girl named Sophie encounters the Big Friendly Giant who, despite his intimidating appearance, turns out to be a kind-hearted soul who is considered an outcast by the other giants because, unlike them, he refuses to eat children.

~March 11th: **The Great Gilly Hopkins** - Rated PG Minutes: 99

A feisty foster kid's outrageous scheme to be reunited with her birth mother has unintended consequences in *The Great Gilly Hopkins*, a funny, poignant and inspiring new movie from the creators of *Bridge to Terabithia*. Gilly Hopkins has seen more than her share of foster homes. Abandoned by her mother as a baby, Gilly makes it her mission not to need anyone--not her earnest social worker Ellis, her dedicated teacher Miss Harris or her tenaciously sociable classmate Agnes--and certainly not her new foster mother Mamie Trotter. In an effort to escape Trotter's endlessly loving care, Gilly concocts a plan that she believes will bring her mother running to her rescue. But when the ploy blows up in Gilly's face it threatens to ruin the only chance she's ever had to be part of a real family.

~March 18th: **Storks** - Rated PG Minutes: 86

Storks deliver babies...or at least they used to. Now they deliver packages for global internet giant Cornerstore.com. Junior, the company's top delivery stork, is about to be promoted when he accidentally activates the Baby Making Machine, producing an adorable and wholly unauthorized baby girl. Desperate to deliver this bundle of trouble before the boss gets wise, Junior and his friend Tulip, the only human on Stork Mountain, race to make their first-ever baby drop - in a wild and revealing journey that could make more than one family whole and restore the storks' true mission in the world.

~March 25th: **Middle School: The Worst Years of My Life** - Rated PG Minutes: 103

Rafe has an epic imagination, and a slight problem with authority. Both collide when he transfers to a rule-crazy middle school. Drowning in do's and don'ts, Rafe and his best friend Leo hatch a plan to expose the principal by breaking every rule in the school's Code of Conduct. As the principal strikes back, Rafe's world, at home and at school, explodes into hilarious chaos in this laugh-filled family comedy.
