

## Welcome to hoopla!

hoopla is a digital media service available through your library that offers you:

- eBooks
- Audiobooks
- Comics
- Albums
- Movies
- TV Shows

There are unlimited copies of items in the hoopla catalogue so you never have to wait in line! Don't worry about late fees because everything returns itself on its due date. The Peace Library System allows members to borrow up to 4 items per month. Your account resets on the first of each month.

## Software & Devices

**hoopla content is available on computers on the website for streaming only.**

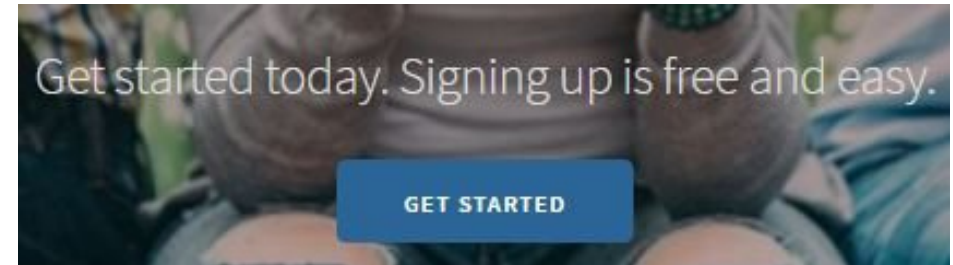

In order for the content to stream, your computer must be connected to the internet and using an internet browser such as Chrome or Mozilla Firefox. Streaming takes up no device space but requires constant internet connection.

**hoopla content is available on mobile devices on their app for streaming and downloading.**

This free app can be downloaded onto your Android, Apple and kindle fire HDX devices. You can choose to stream the content or download it. Streaming content requires an internet connection but does not take up any space on your device. Downloading takes up space on your device but allows you to use your items when not connected to the internet.

## Your Account

To get started, you need an internet connection and a library card in order to make an account and start borrowing items.

Once you have created an account, you can save favourites, get recommendations, borrow your items and stream your content.

## Content

Patrons have access to the entire hoopla digital Canadian catalogue! That's thousands of movies, TV shows, books and music. You can limit some of that content by selecting your account and enabling "Kids Mode."

hoopla digital works with a large amount of mobile devices. There is a full list of devices available in the help section on the hoopla website.

To borrow an item, all you have to do is hover over the cover and click the blue "Borrow" button or select the blue "Borrow" button beside the cover image on the item description page.

Borrowing periods are:

- Movies & TV Shows: 3 days/72 hours
- Albums: 1 week/7 days
- eBooks, audiobooks & comics: 3 weeks/21 days
