The New OverDrive App

Meet **libby**

The **one-tap** reading app from your library

Happy Reading

Google Play   App Store

Better app.
Same great service.

How do I get it?

Open the app store on your Android or Apple device then type in **Libby** or **OverDrive** and download the app with this icon:

It's easy and completely free!

Set Up

The first time you open the app:

1. Select **Yes** to begin your set up.
2. Select **I'll Search For A Library**.
3. Enter **TRAC Consortium**.
4. Select **Sign In With My Library Card**.
5. Enter your library barcode and pin before selecting **Sign In**.
6. Select **Enter The Library**.

If you want to add several library cards from TRAC to the app:

1. Select the Libby silhouette icon (located on the top right).
2. Select **Add A Card**.
3. Select **Sign In With My Library Card**.
4. Enter your library barcode and pin before selecting **Sign In**.

If you want to add a library card from another library:

1. Select the Libby silhouette icon (located on the top right).
2. Select **Add A Library** and search for the new library.
3. Enter the library barcode (and pin, if the library requests it).
4. You can switch between the libraries by tapping the Libby silhouette icon.

Your Account

You access your account by selecting **Shelf** on the bottom toolbar. The default page in your shelf is **Loans**. You will see all the book covers of the eBooks and eAudiobooks borrowed on this page.

- To download a book to your device, select the cloud icon (located to the left of the cover) and select **Download**.
- To stream a book to your device, select the purple check mark icon (located to the left of the cover) and select **Stream**.

Tap the **Holds** tab (located on the top left) to see all holds associated with the linked library cards.

- To edit or cancel your hold, select **Manage Hold** (located left of the book cover).
- To see your spot in line, select **Wait List** (located left of the book cover).

Tap the **Tags** tab (located on the top left) to see all the books that have been tagged with the linked library cards.

- You can create any tag you want including using emojis.
- To add a book to a tag, select **Tag** from the book while in the catalogue and select which tag you want to associate with it.

Take Note

When there is no book open, you can select the Libby icon (located on the bottom in the task bar) and change it.
