

My Collection

You can collect articles and organize them into **Collections**. When you find an article that you want to add to a collection, select the 9-dotted square to the right of the title and choose **Save to Collection**. You can access your account collections by selecting your name on the top right and going to your channel.

My Publications

Instead of having to search for your regular publications, flag your regularly read publications as a favourite for easy access! Simply click on the name of a publication or find it using the navigation panel. Then select **Add to My Publications** and that publication will now appear in the navigation menu. Click on the arrow beside **Publications** in the navigation menu and it will appear.

My Topics

You can flag certain terms to find articles on a topic that you are interested in. On the **Home Feed**, locate the panel on the left and select **See All** beside **My Topics**. Here you can access the results of the topics or create new topics. You can also delete topics that are no longer useful to you by selecting the gear icon on the upper right.

Article Features

If you select the 9-dotted square to the right of each article title, you'll have access to these features:

- Page View (revert to newspaper format)
- Comment
- Save to Collection
- Listen (have article read aloud)
- Share
- Copy
- Print
- Translate (translate article into another language)
- Vote Up or Down
