The Book Club in a Bag collection is intended to spark lively discussions for book groups.

15 copies of the same book, in a bag with discussion leader materials, may be reserved for your book club and borrowed for a month.

New books are selected quarterly by subscribers to the Book Club in a Bag e-newsletter. Ask a librarian to help you sign up for this e-newsletter!

We require at least a two week notice for a requested pick-up date.

We welcome recommendations of outstanding fiction and nonfiction for new sets. We’re looking for books that:
* were published during the last year
* are in paperback and priced around $16
* are not longer than 400 pages, usually
* to nominate a new book use the online Suggestion for Purchase form

Please visit [http://nhcpl.libguides.com/bc](http://nhcpl.libguides.com/bc) to request a set.
