

Beginner Tech Talks with Mike

2 Classes Wednesdays @ 2:00 and 1 Class Thursday @ 6:30

Registration required - please sign up [online](#) or call 860-258-7623 to sign up.

Getting Started with Google Maps

Wednesday, February 6th 2-3 pm

Did you know that Google Maps can make your life a lot easier? Whether it be finding the fastest route to your destination, finding the cheapest gas, figuring out when the soonest train is leaving, to finding airport parking, Google Maps has you covered. Join us as we discover all the cool and practical things Google Maps can do and how you can apply them to your daily routine.

Getting Started with Google Drive

Wednesday, February 20th 2-3 pm

Learn how Google Drive can make your life a little easier! Google Drive is a 'cloud based' program that allows you to store files, create word documents and spreadsheets, manage photos, and more, on virtually any modern computer that can connect to the internet.

Getting Started with Streaming TV

Thursday, February 7th 6:30-7:30 pm

Looking for an alternative to traditional cable and dish television services? Have you heard of Roku, Chromecast, or Apple TV, but are not quite sure about these alternate TV and entertainment devices? Maybe you have heard of Netflix, Hulu, or Amazon Prime Video but don't know much about 'streaming media'? Come to the library to learn if these newer and alternative entertainment options are right for you, and how to get started with using them.
