The Rules

- To complete the challenge, and to be eligible for the grand prize, you must read 24 books that fit 24 of the challenge categories.
- There are 25 categories in all, which means you get to skip one of your choosing.
- As an incentive to keep reading, you can also bring in your log once you've reached the halfway point and read 12 books, and you will receive a smaller prize. You can do this at any point in the year (even December!)
- Use this log to keep track of what you read; write the title and author in the space provided for the appropriate category.
- Participants who read 24 books and turn in their completed logs to the Adult desk by December 21, 2020, will be eligible for the grand prize.
- Most importantly, have fun!
