Library Books & Materials

So you want to talk about race

by Ijeoma Oluo

Perfectly positioned to bridge the gap between people of color and white Americans struggling with race complexities, Oluo answers the questions readers don't dare ask, and explains the concepts that continue

to elude everyday Americans. Oluo is an exceptional writer with a rare ability to be straightforward, funny, and effective in her coverage of sensitive, hyper-charged issues in America.

An African American and Latinx history of the United States

by Paul Ortiz

"Paul Ortiz delivers us the history of the United States from the viewpoint of black and brown people, from Crispus Attucks and José Maria

Morelos to César Chávez and Martin Luther King Jr. The result is simultaneously invigorating, embarrassing, and essential to anyone interested in what the revolutionaries of years past can teach us about struggles for freedom, equality, and democracy today." —William P. Jones,

How to be an antiracist

by Ibram X. Kendi

A best-selling author, National Book Award-winner & professor combines ethics, history, law and science with a personal narrative to describe how to move beyond the awareness of racism and contribute to making society just and equitable.

The new Jim Crow : mass incarceration in the age of colorblindness

by Michelle Alexander

Argues that the War on Drugs and policies that deny convicted felons equal access to employment, housing, education, and public benefits create a permanent under

caste based largely on race

Why are all the black kids sitting together in the cafeteria? : and other conversations about race

by Beverly Daniel Tatum

"Beverly Daniel Tatum, a renowned authority on the psychology of racism, argues that straight talk

about our racial identities is essential if we are serious about enabling communication across racial and ethnic divides."

Me and white supremacy : combat racism, change the world, and become a good ancestor

by Layla F Saad

When Layla Saad began an Instagram challenge called #meandwhitesupremacy, she never predicted it would become a cultural

movement. She encouraged people to own up and share their racist behaviors, big and small. She was looking for truth, and she got it... Thousands of people participated in the challenge, and over 80,000 people downloaded the supporting work Me and White Supremacy.
