Learn: How to Raise Backyard Chickens

Online Resources

**Backyard Flock Production**
by Dana Zook & Josh Payne, Oklahoma State Extension

This OSU Extension Fact Sheet provides a list of questions to consider and answer before beginning to raise backyard chickens.

**Protecting Small Poultry Flocks from Predators**
by Dana Zook, Oklahoma State University Extension

Learn how to identify predators and protect your flock from them.

**Simple Budgeting and Pricing Calculations for Backyard Hens**
by Courtney Bir & Dana Zook, Oklahoma State University Extension

Whether you are thinking of starting your own backyard flock, or trying to determine how to price the eggs or meat from an established flock, knowing expenses is important. You can use an enterprise budget to calculate potential profits, a break-even price or to simply keep track of expenses.

**Backyard Chickens**
This self-paced online course from OSU Extension will provide an overview of issues that new poultry owners can expect to face as they select and care for their flocks. *There is a fee to enroll in this course.*

**OSU Backyard Poultry Youtube Channel**
OSU's Backyard Poultry channel is dedicated to providing up-to-date, researched and unbiased information about small-scale poultry production. Topics include everything from breeds of poultry, flock health, regulations on selling eggs and meat, budgeting, and organic versus natural production. *These videos may contain ads and their content does not reflect the views of the Metropolitan Library System.*

Community Resources

**Joshua Campbell**
**Oklahoma County Extension Agriculture Educator**
joshua.campbell@okstate.edu
(405) 713-1125

Joshua Campbell can answer individual questions about backyard chickens. He also periodically teaches classes about Backyard Chickens in the Oklahoma County area. For more information check out the Oklahoma County Extension webpage.

*Local governments have their own codes and ordinances related to backyard chickens. Check with your local government to find out if backyard chickens are allowed and what rules and regulations govern their ownership.*
