<td><strong>Besom, stang, and sword: a guide to traditional witchcraft, the six-fold path, and the hidden landscape</strong></td>
<td>Christopher Orapello</td>
<td>Regional Traditional Witchcraft is an animistic form of witchcraft that moves away from the religious harvest festivals and fertility-minded practices associated with the more common Wiccan form of witchcraft. This practice teaches people to find their craft in their own backyards, in the uncultivated land, the wild unknown, and in their ancestors rather than in ancient foreign deities or in a Neo-Pagan-styled religious form of witchcraft.</td>

<td><strong>The witch at the forest's edge: thirteen keys to modern traditional witchcraft</strong></td>
<td>Christine Grace</td>
<td>This book is an invitation to animists, ancestor worshipers, magic-seekers, and the wild-at-heart. It systematically explores the foundational aspects of modern traditional witchcraft. Written from an animistic perspective and without pushing any specific deities, the book offers a thorough practical and theoretical framework for considering each witch's personal theology and practice.</td>
