**(NS)
Celebrating
Construction
Workers**

Starting August 1-August 31 if you have a family member, friend, or neighbor that is in construction, email Ms. Shannon a picture to be shared in our Construction Site in the children's area. We will take the month of September to honor all our construction workers and the great things they build and accomplish. Come in the 96 Branch Library anytime in the month of September and check out our construction workers.

**(WS) Word of
the Day**

Stop by the circulation desk to view our word of the day. Repeat the word and definition then and use it in a sentence correctly to receive a treat.
