Take Your Breath Away
by Linwood Barclay
A woman mysteriously disappears and the husband is suspected in causing her disappearance. Routine mystery, right? Wrong! Great twists, turns and secrets make this thriller/mystery far from routine.

Golden Girl
by Elin Hilderbrand
It's Summer - time for a good beach read. Not too lighthearted though since the main character dies and then looks down at and guides her family. But plenty of family drama, romance, suspense and mystery. And you're in Nantucket!

I Liked My Life
by Abby Fabiaschi
I really enjoyed this novel. It was sad but not a sob-fest. Some parts brought a smile to my lips and even an occasional laugh. The author did a great job portraying the teenage daughter and the relationship with her dad after her mom's passing.

Goodnight Beautiful
by Aimee Molloy
A psychologist and his new wife leave Manhattan and move upstate to a sleepy town. Or maybe not so sleepy. A great page turner! It was very much about the assumptions we make. Fans of Misery by Stephen King will love this one.
