## Online Summer Reading

Use ReadSquared to keep track of your child's reading time online, participate in online games, story telling and more. 4-weeks of PageTurner Adventures programming will also be available 24x7 from your home .

How it works:

1. Register at <http://libertypl.ny10.readsquared.com> & pick up a Brag Tag and chain
2. Start reading and log your minutes online (or pick up a paper log)
3. If your child reads just 15 min. per day, they can earn beads for their brag tag & other prizes.

Let's help get our Liberty kids back on track from any learning loss they might have experienced due to COVID-19 disruptions, virtual learning, and decreased instruction time.

## In-person programs

Sick of your kids being online?

See back page for in-person (socially distanced) events for kids and outdoor activities too.
