Juneteenth marks the day in 1865 when a group of enslaved people in Galveston, Texas, finally learned that they were free from the institution of slavery.

The first Juneteenth in 1866 was celebrated with food, singing, and the reading of spirituals — and it commemorated newly freed Black people taking pride in their progress. Today, Juneteenth celebrations span the world, with the global diaspora adopting the day as one to recognize emancipation at large.

Even though Juneteenth is not the official Canadian holiday, we recognize its' importance.
