

The poster features a light blue background with several potted succulents. A large white circle is centered on the page, containing the event details. The succulents include a large green one in a cork pot at the top, and several smaller ones in terracotta pots around it. Small colored dots (blue, green, red) are scattered on the background.

# PLANT SWAP

**Plant Drop-Off: June 6 - 8**

**Plant Swap: Friday, June 9 | 12:00-2:00 p.m.**

Pick up something green at our summer plant swap! Drop off your extra or unwanted plants at the library June 6-8 and pick up a swap ticket for each plant you bring in. Donations may include houseplants, flowers, vegetables, perennials, and annuals.

Bring your tickets back on June 9 between 12:00-2:00 p.m. to exchange them for new plants to take home! Plants must be healthy, rooted in soil, and include identification.

Questions? Contact Becca Klein at 641-792-4108.
