

DIY @ the Library: Kokedama

Tuesday, June 14,
5:30 pm

Make your own kokedama plant! Kokedama is the Japanese art of growing plants in a moss-covered ball of soil wrapped with string. They are often displayed on a decorative plate or hung by string in a window. Attendees should dress to get muddy! All materials provided. Class size will be limited and registration is required to attend. Registration opens June 6. Ages 18+
