this Winter

Summer Reading looks very different this year due to Covid-19. We appreciate your patience as we work hard to keep everyone safe, but still provide a fun, inspiring experience. While we aren't able to offer any in-person programming, we will be offering virtual programming, so keep an eye on our website calendar, Facebook, and Instagram pages. Also, make sure you take advantage of a brand new service we are offering to our patrons called Creativebug. Creativebug has thousands of award-winning art and craft video classes taught by recognized design experts and artists available whenever and wherever you are. Visit www.saginawlibrary.org and click on the Creativebug spinner on our home page to take advantage today!
