Star Party

Tuesday, October 16th
7:00 p.m.
Hazel Green Public Library

View the Moon, planets, star clusters, nebulae, and
galaxies through a telescope and binoculars while
astronomer, John Heasley, guides us through the
beauty of the night sky.

This is an outdoor event. Please dress accordingly.
If the weather is uncooperative, we have an alternative stargazing
option that will take place in the Community Room.
