

INSTRUCTIONS-T Stand and Backdrop

T-Stand

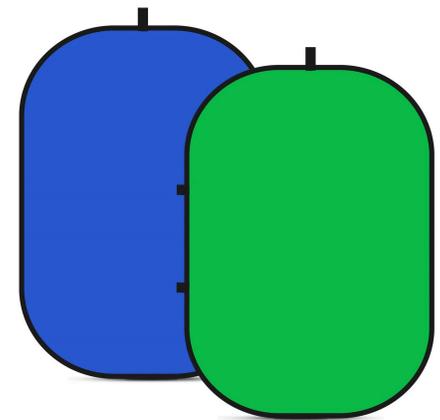

1. Remove all pieces from the bag.
2. Open the tripod base and lock it in place.
3. Attach the center piece of the t-stand to the top of the main bar. Tighten the screw to hold it in place.
4. Attach the other size of the t-stand, twisting firmly into place.
5. Raise the stand to the desired height.

Backdrop

1. Remove the backdrop from the bag.
2. Unfold the backdrop, slide the loop(s) on the backdrop onto the t-stand and secure it in place with a clamp.

Note: You can attach your own backdrops using the clamps provided.
