

What is Beanstack?

Beanstack is the Library's web-based reading tracking software. It allows you to track your reading and more!

How do I sign up?

1. Go to lawrencecountylibraries@beanstack.org - the library name is under "Lawrence County" (Beanstack can be easily found on our website www.ncdlc.org)
2. Click on the blue "Register an Individual or Family" button.
3. Fill in the information - if you are a parent registering a child, be sure to enter your information under "Adult Information". Beanstack allows families to be linked together, so that all family members can be accessed with one login.
4. Once registered, you will be taken to your account page. This is where you will log your reading and activities and track the badges you earn!

How do I log my reading?

- Click on the "Log Reading and Activities" icon
- Select the "Log Books" icon

- Once you earn tickets, you can place them into the Prize Drawing of your choice under the "Ticket Drawings" tab.

- 2). **Download the Beanstack Tracker App for Android or iPhone**
