Question: Do I have to know some Spanish to attend this class?

Answer: No. This class is geared toward brand new speakers. No prior knowledge is necessary. If you do know some Spanish, you may want to start on week two. Each session is designed to teach Spanish and includes "learning" tips to help you with retention of information.

Question: What if I miss a class?

Answer: Each class can stand alone, so if you miss a class, you will still be able to continue your learning without feeling lost.

Question: Will there be time to practice what I learn in class?

Answer: Yes. There will be time set aside every session to practice and converse in Spanish.
