Memorial/In Honor of Giving

Donations given in memory or in honor of someone special are a wonderful way to acknowledge a loved one while supporting your community. Donations can be made to support the library in general or can be used to purchase a book or audio book.

If a book is purchased, a book plate will be placed in the front of the book. We are more than happy to purchase a book to add to our collection that will honor your donation and meet the needs of our patrons. You may also purchase a book to donate, and may wish to check with the library or our catalog to make sure it is not part of our collection.

Letters of acknowledgement will be sent to family members, and we also list the names of those remembered in the Support our Library section of our website. Thank you for your consideration of the library in your donation.

We thank you for your memorial donation. Please complete the form below and mail it to the address above.
