

Community Supported!

We are a community-supported library. Individuals, municipalities, businesses, organizations, and dedicated volunteers provide the support to operate our library and plan for the future. In spite of being challenged by the pandemic of 2020, we continue to build for our future. Continuing improvement of library services, hiring professional staff, and building a new facility to house the library remain our goals. Covid may have slowed us down, but it has not deterred us from meeting these goals.

Our community partnerships are the backbone of our library. Help us continue to offer our community a center for literacy, information, and growth. Please consider being a part of this effort by donating to the library during 2021. We welcome donations from those who live in the Lakeview Community, have ties to our community, or simply want to help others.

We ask that you consider giving at least \$20.21 but welcome and encourage amounts even beyond this any time during the 2021 year.
