BOOK ADVENTURE: HISTORY MYSTERIES

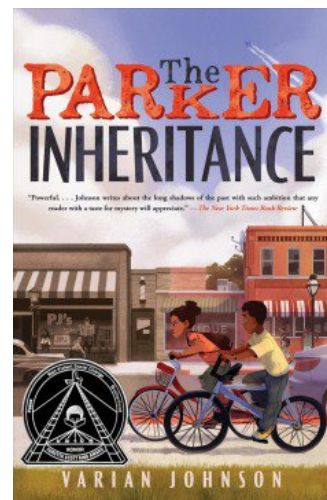

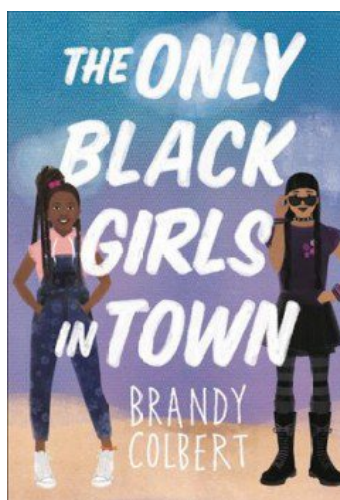

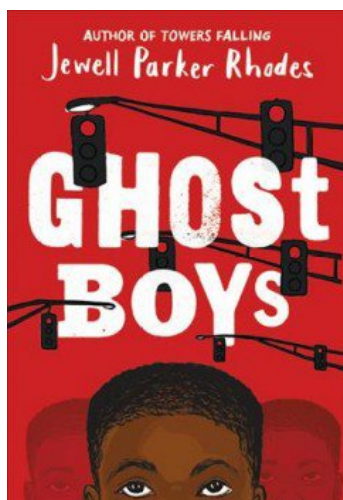

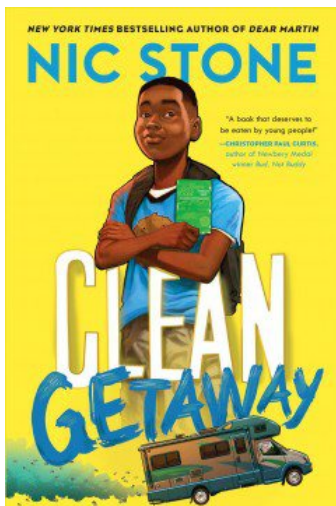

Conduct an interview. Interview a family member about their history. What was their life like when they were your age? Do any of their stories surprise you? Does it remind you of your own life?

Super sleuth skills. Were you able to solve the book's mystery? What clues helped you out?

Share what you love. Recommend a mystery book to a friend or family member. What clues can you share from the book without giving away the ending?

Test your memory. What is the earliest memory you have? Where does it take place? Who is present? Can you remember any sights/sounds/smells/tastes from this moment?

Discover your local history. Locate a historically recognized building/location in the town where you live. What makes this place historically significant? Name a place that has historical significance to you.
