

Stoughton Public Library

2021

SUMMER

READING

EVENTS &
GUIDELINES

JUNE 1 - AUGUST 27

- Event Guidelines -

All programs require registration except for storytimes in Halloran Park. You can register through Eventkeeper on our website, or by calling the library at 781-344-2711. Registration will begin for all programs on June 7th, 2021 with the exception of family storytimes. Family storytimes have a weekly registration.

For Zoom programs, the link to the program will be sent one hour before the program begins.

Only our Arts in the Parks programs and storytime programs at Halloran Park will be in person. For in person programs masks must be worn and social distancing observed. In the event of rain, storytimes in the park will be cancelled and all Arts in the Park programs will switch to a virtual format. Weather announcements will be made on Eventkeeper and Facebook and the Zoom link will be sent one hour before the program begins.

- Program Guidelines -

Children participating should be in sixth grade or below.

The minutes a child reads will be entered into Beanstack, an online reading log accessible from the library website, which will allow participants to read and complete challenges to earn raffle tickets for prizes.

Pre-schoolers may have books read to them. If older siblings read to younger family members, the minutes read may be counted by both of them. Books which are read for school can be counted both for the school and the public library summer reading program.

For students in the Stoughton schools who participate via Beanstack, we will share their name and grade with the School system to let them know they participated in the Summer Reading Program.

Sign up today!
