Book Bingo

SUMMER READING 2020

Read books or complete challenges and you could win!

Children birth through grade 6 can earn a Bingo by completing a horizontal, vertical or diagonal line, or each of the four corner squares. For every Bingo you complete, you'll be entered into our gift card raffle - just take a picture of your completed card and email it to SBeshers@ocln.org.

For students in the Stoughton schools, we will share their name and grade with the School system to let them know they participated in the Summer Reading Program.
