Illegal

by Francisco X. Stork

Genre: Thriller, Contemporary (book)

Summary: Sara and Emiliano are fleeing Mexico due to danger of being persecuted. Sara is stuck in a detention center seeking asylum, while Emiliano is deciding whether to stay with his first ever friend in the US or move to Chicago with his dad. The main reason that Emiliano is hunted is because he has a very important cell phone that contains deadly information, he gets help from a retired police officer and his friends to find out what is actually in the cell phone. The writing style is very detailed and takes a while to develop the plot. The author seems to have immense expertise on the subject and the content of the book outweighs the flaws. Teen readers who enjoy thrillers with a detailed plot would enjoy this book.
