The Day Before : a prequel novel
by Micol Ostow

Genre: Short Stories (audiobook)

Summary: The story really has no beginning middle or end. Rather every character tells the story in their own way in which they have a beginning, middle and end. The ensemble of main characters from the show tell their own stories. The content of the book is very similar to that of the actual show Riverdale. This book is a prequel novel telling of the characters lives before the start of season 1. Viewers of this show would enjoy this book like I did.

Rating: 4 out of 5
