Legendborn

by Tracy Deonn

Genre: Fantasy

Summary: When Bree's mother dies she can't stand the memories surrounding her and wants a change of scenery. When she's accepted into a program for high schoolers at UNC-Chapel Hill she doesn't expect to encounter a demon attack. Bree is soon introduced to the Legendborn, a secret society of decedents of King Arthurs Knights. After the demon attack, Bree feels a connection to her mother's death and sets out for answers. I loved the writing style of this book. It's very well written. However, I thought it was a bit slow at times. I thought this book was very enjoyable and a good read for anyone thirteen and up.
