When Tessa is accepted into the creative writing program of a prestigious art school, she is excited to finally let her stories shine. But when she goes to her workshop, the words are gone. Her friend Caroline has a solution: Tessa needs to find inspiration in a real-life love story. And she's ready with a list of romance novel-inspired steps to happily ever after. Nico, the brooding artist, is cast as the love interest. But as Tessa checks each item off Caroline's list, she risks losing the bond she develops with Sam. She's on her way to her own love story, is it the one she wants?

This novel blends Greek mythology and urban fantasy. After her family is brutally murdered Lore, is the last of the Perseides. Training as an underground fighter, Lore lives undetected from those who seek her family's shield. When the Agon occurs, Lore is thrust into a world she would rather avoid, taking friends Miles and Castor with her. Teaming up with Athena to thwart a villain intent on killing off the gods, Lore balances achieving her destiny with mourning her family. For the high school fantasy fan who grew up on the Percy Jackson series!

In theory, new kid Pony should have nothing in common with popular cheerleader Georgia, but on the first day at their high school, they quickly become friends and maybe more. But 17-year-old Pony is keeping his trans identity to himself, "going stealth" post-transition. And Georgia is struggling with her self-image: bored with cheer and hoping to become a writer, she feels trapped in her personal life. As the two teens grow closer and homecoming approaches, Pony is pretty sure his heart is going to be broken...
