

#ICYMI Part 2

New(ish) Books You May Have Missed!

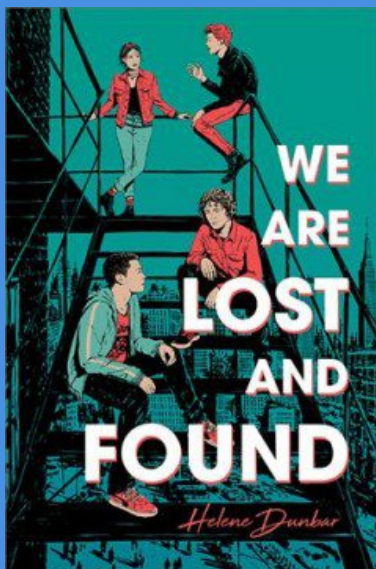

Cass loves her adoptive parents, but the one thing they can't give her is an answer to who she is. However, a series of letters written to Cass eighteen years ago by her teenage birth mom may hold the information she's been searching for.

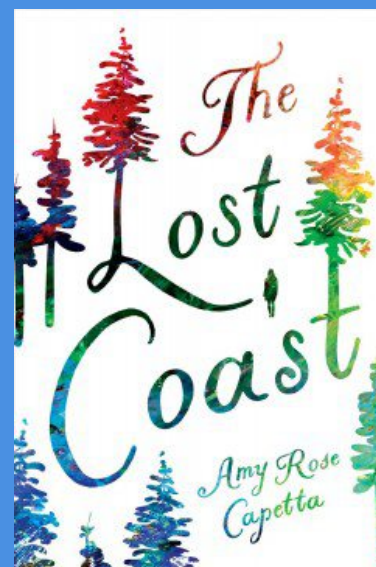

When Birdie's estranged Aunt Carlene, a recovering addict, moves in with her family, star student Birdie becomes closer to both Aunt Carlene and school bad boy Booker. Buried secrets rise to the surface, and everything Birdie believed is turned upside down.

A collection of interconnected short stories by a star studded cast of popular YA authors that explore the intersection of family, culture, and food in the lives of thirteen teens.

Michael's brother Connor was recently kicked out of the house for being gay. Hanging out at The Echo with his best friends Becky and James, Michael meets Gabriel, and must decide what he's willing to risk to be himself.

When Danny and her mother move Northern California, Danny befriends the Grays, a close knit group of girls who claim to be witches, and Danny agrees to help them find their friend Imogen, who has gone missing.
