November is the final month of the One Book Challenge 2022!

This September – November, The One Book Project (One Book, One Bakersfield, One Kern) is encouraging community members to share experiences related to a single book's themes through discussions, educational programming, and other activities. The read is meant to bring communities together across cultural divides, and to enhance understanding of our diversity, all while supporting literacy.

The One Book Project is an ongoing annual partnership between California State University, Bakersfield College, and the Kern County Library. The title selection for this year is *A Mighty Long Way: My Journey to Justice at Little Rock Central High School* by Carlotta Walls LaNier. The book explores themes including civil rights, racism, racial discrimination, diversity, acceptance, and courage.

Keep on the lookout for special events and programming at your local Kern County Library branches. Contribute to our Dream Board in the children's area and join our reading challenge on the Beanstack reading app! Visit kclonebook.org for more information and to sign up to win prizes!
