and

Tales

Registration for this year's Summer Reading Club begins  
Monday, June 21st in person in the Children's Room

OR online on READsquared at

<http://hicksvillelibraryny12.readsquared.com/>.

The first day to report is July 6th and the last day to report is August 14th!

- for teens going into grades 6-12 -

Read any book you want and yes,  
those books you have to read for school count!

Write a brief review online or on one of the review sheets available in the children's room. You can review your book through artistic expression instead of a book review. For each review you submit, you'll be entered into a weekly raffle for a gift card. Raffle winners will be picked at random each Monday morning starting July 12th and ending August 16th. All book reviews entered before the drawing will count towards the raffle starting off fresh each week.

The last day to report is Saturday, August 14th.

Teens who read 3 or more books during the duration of the summer reading club will be entered into a GRAND Prize drawing!

The Grand Prize winner will be notified on Friday, August 20th!
