

IMPORTANT COVID-19 UPDATES

What does this mean for the library?

LPCPL asks that all unvaccinated individuals wear a face mask as recommended by the CDC.

Unvaccinated individuals should maintain social distancing and stay 6 feet apart from others.

The Library will continue to provide hand sanitizer or hand-washing areas.

Unaccompanied youth are welcome. They must know their own name, phone number, and the first and last name of their caretaker.

If you are sick, symptomatic, or have tested positive for COVID-19 we ask that you do not enter the library.
