ESL Conversation Outdoors

Monday,
June 7, 14, 21, and 28
2:30–3:30 pm

One of the Hickory Corner Branch librarians will lead the sessions, intended for intermediate-level speakers (those comfortable speaking English in most situations and looking for practice to increase confidence). We'll meet in the parking lot on Mondays, weather permitting. In case of inclement weather, the program will be canceled.

We will be providing a safe environment by strictly adhering to physical distancing guidelines. Please note the following:

- Attendees (ages 2 and older) must wear masks during the program.
- Please remain physically distanced from other patrons/groups during the program.
- Restrooms inside the library will be available as the building's capacity limit allows. If the building's capacity is reached, patrons will need to wait to enter the building to use the restroom.
- Registration is required prior to the event.
